Hi Della and Kate –

This matter was in court today (Woburn Superior Courtroom 530) and is scheduled for trial Thursday Feb 18. I think there is still a pretty strong chance the defendant will plead guilty (his co-def did), but I won't know that until Feb 4. If not, I have to be ready for trial on Feb 18, which would mean having you available to testify, most likely Friday Feb 19. I have asked the administrative assistant to send out the official requests/notification, but I thought I would also send an email to give you both a heads up. I have all the discovery materials you kindly provided.

Thank you very much,

Lisa
